

The IBA web-library online again

Conference presentations online again! After a few weeks of transition and development of this section, the IBA web-library is now once again fully available for our members!

We have collected the presentations of our annual conferences over the past few years. Therefore, you can view whatever information we have got from the researchers, marketers and partners here. You need to register for accessing this section. Also, you can only access it if you are a member of the IBA.

By now, almost 100 presentations are classified in 4 categories of interest. They are recognizable with their icons:

agronomy/plant breeding/horticulture

health research

market/demand & supply

supplier & customer information

For those who have been present at the conferences, you may of course search by conference. You can also enter keywords, like the name of the presenter, title of the presentation etc.

We are looking forward to adding much more highly interesting presentations into this library after the next conference in Ashford.
