

# **Tomi Pousi**

## **Short biography of Tomi Pousi, F:**

Tomi Pousi completed his plant production sciences studies (MSc) in University of Helsinki in 2017 specializing into plant pathology. Already during his studies he was working as technical support agronomist with biological plant protection products. In November 2019 he moved into the Finnish Association of Fruit and Berry Growers to work as a specialist.

He has joined the Agronomy & Plant Breeding Sector Group of the International Blackcurrant Association in December 2019.
