

# VEGAN BLACKCURRANT SMOOTHIE

An excellent recipe for your breakfast: a vegan blackcurrant smoothie. It is one of the recipes of the Best of Cassis Smoothie contest 2017. The participants had to use blackcurrant concentrate in their recipes. You may, of course, not be able to buy this in a shop. But blackcurrant concentrate is nothing more than what it says: concentrated blackcurrant juice. You can simply replace it with the double of the amount of pure blackcurrant juice. Keep in mind: pure blackcurrant juice does not contain any added water or sugar!
