Faostat = Statistics of the Food and Agriculture Organisation of the UNO.

Data include black and red currants

Eurostats = European Statistical Information

data from countries with less than 100ha are not listed

prices represent an average of BC sold on the free market

*data for "Overseas Countries" are based on data last known by the IBA.

They can only reflect a rough estimation of the real situation.

Please note that from 2021 onwards, data from the United Kingdom figure among "non-EU"

last update: 30/06/2024
